1. The recent [REDACTED] training program completed here proved to be highly successful and I am personally gratified by the overall results. As we have gained considerable experience with this type of training, our [REDACTED] program is now at the point of formalization, so that future students can be accepted at any time with no disruption to normal operations.

2. I feel that the success of the recent [REDACTED] training was due to several factors; one of the most important being the attitude of the students and particularly that of [REDACTED] who will return to Detachment "H" as the new operations officer. [REDACTED] was invaluable in our training efforts. In recognition of this fact I have prepared the attached letter for your signature to [REDACTED]. Not only will this be of some assistance to [REDACTED] in his new position, but I feel it may also provide additional impetus to future IP's, in that it reflects Command attention to our training program.
